PRESENTATIONS

1974

Complications and adverse effects of the use of positive end expiratory pressure ventilation. Presented at the Illinois State Surgical Society meeting, Lake Geneva, Wisconsin.

1976

Tumors of the major salivary glands. Presented at the Triological Society meeting, Palm Beach, Florida.

Ear, nose and throat emergencies. Presented at the Fifth Annual Illinois Combined Scientific Assembly, Chicago.

Thyroid and parathyroid surgery. Presented at Grand Rounds, Department of Surgery, Illinois Masonic Medical Center, Chicago.

1980

Thyroid carcinoma. Presented at the Triological Society meeting, Palm Beach, Florida.

Thyroid and parathyroid surgery. Presented at Grand Rounds, Department of Surgery, Illinois Masonic Medical Center, Chicago.

1981

Laryngeal injuries secondary to nasogastric tubes. Presented at the Triological Society meeting, Vancouver, British Columbia.

Head and neck cancer. Course director, Illinois Masonic Medical Center, Chicago.

Head and neck tumors. Presented at the Department of Surgery, Augustana Hospital, Chicago.

Thyroid and parathyroid surgery. Presented at Grand Rounds, Department of Surgery, Illinois Masonic Medical Center, Chicago.

1982

Laryngeal invasion by thyroid carcinoma. Presented at the American Laryngological Association meeting, Palm Beach, Florida.

Parathyroid localization by computed tomographic scanning. Presented at the American

Society for Head and Neck Surgery, Palm Beach, Florida.

Head and neck reconstruction. Presented at the Annual Otolaryngologic Assembly, University of Illinois, Chicago.

Mandibular reconstruction. Presented at the Annual Otolaryngologic Assembly, University of Illinois, Chicago.

Thyroid and parathyroid surgery. Presented at Grand Rounds, Department of Surgery, Illinois Masonic Medical Center.

Head and neck reconstruction. Presented at the Department of Surgery, Weiss Memorial Hospital, Chicago.

Emergencies in head and neck surgery. Presented at the Combined Scientific Assembly, Chicago.

Head and neck tumors and sinus diseases. Presented at the Illinois Academy of Family Physicians in Harvey, Springfield, Oak Lawn, Rock Island, Hinsdale, Mattoon, Evergreen Park, and Chicago.

1983

Metastatic neck disease: evaluation by computed tomography. Presented at the American Society for Head and Neck Surgery, Palm Springs, California.

Congenital anomalies of the larynx and trachea. Presented at the Midwest Pediatric Anesthesia Conference, Chicago.

Recent advances in head and neck CT: a clinician's perspective. Sponsored by the General Electric Company, Chicago.

Reconstructive surgery with myocutaneous flaps. Presented at the Annual Otolaryngologic Assembly, University of Illinois, Chicago.

Thyroid and parathyroid surgery. Presented at Grand Rounds, Department of Surgery, Illinois Masonic Medical Center.

Anesthesia for ENT surgery. Presented at the Department of Anesthesia, Illinois Masonic Medical Center.

1984

Conservation neck dissection. Presented by coauthor at the Triological Society meeting, Palm Beach, Florida.

The parietal occipital nape of neck flap: a new myocutaneous flap for selected head and neck reconstruction. Presented by coauthor at the American Academy for Facial

Plastic Surgery, Palm Beach, Florida.

Combined medical and surgical treatment for correction of the nasal airway. Presented at The Nose '84: An International Symposium on Nasal Physiology and Surgery, Chicago,

Computerized tomography in diagnosis of head and neck diseases. Presented at the International Conference on Head and Neck Cancer sponsored by the Society of Head and Neck Surgeons and the American Society for Head and Neck Surgery, Baltimore, Maryland.

Reconstruction of the canine subglottic larynx by myoperiosteal flaps. Presented at the International Conference on Head and Neck Cancer sponsored by the Society of Head and Neck Surgeons and the American Society for Head and Neck Surgery, Baltimore, Maryland.

Salivary gland tumors. Presented at the Annual Otolaryngologic Assembly, University of Illinois, Chicago.

Reconstructive surgery with myocutaneous flaps. Presented at the Annual Otolaryngologic Assembly, University of Illinois, Chicago.

Thyroid and parathyroid surgery. Presented at Grand Rounds, Department of Otolaryngology-Head and Neck Surgery, University of Illinois, Chicago.

ENT soft tissue injuries. Presented at Grand Rounds, Department of Emergency Medicine, Illinois Masonic Medical Center, Chicago.

Options for rehabilitation after laryngectomy. Presented at the Speech and Language Department, Swedish Covenant Hospital, Chicago.

1985

Repair of subglottic stenosis with sternocleidomastoid myoperiosteal flaps. Presented at the 13th World Congress of Otorhinolaryngology, Miami Beach, Florida.

The difficult airway. Presented at the Annual Critical Care Update, sponsored by the Department of Anesthesia, Illinois Masonic Medical Center, Chicago.

ENT emergencies. Presented at the Illinois Academy of Physician Assistants Midwest Regional Physician Assistant Conference, Chicago.

Head and neck tumors. Presented at the Ambulatory Care Conference, Illinois Masonic Medical Center, Chicago.

1986

Thyroid carcinoma. Presented at the Department of Otolaryngology-Head and Neck Surgery, Loyola University Medical Center, Maywood, Illinois.

Parotid tumors. Presented at Grand Rounds, Department of Surgery, Illinois Masonic Medical Center, Chicago.

Physical diagnosis of ear and nose diseases. Presented at Illinois Masonic Medical Center, Chicago.

Multiple primary tumors of the head and neck: a multifactorial analysis. Presented at the Triological Society meeting, Palm Beach, Florida.

Factors influencing parathyroid allotransplantation in rats. Presented at the Triological Society meeting, Palm Beach, Florida.

Salivary gland tumors. Presented at the Annual Otolaryngologic Assembly, University of Illinois, Chicago.

Reconstructive surgery with cutaneous and myocutaneous flaps. Presented at the Annual Otolaryngologic Assembly, University of Illinois, Chicago.

Diagnostic imaging for evaluation of tumors of the nasopharynx, skull base, and neck with clinical correlation. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, San Antonio, Texas.

1987

The sternocleidomastoid myoperiosteal flap for esophagopharyngeal reconstruction and fistula repair. Presented at the Triological Society meeting, Denver, Colorado.

Treatment of spastic dysphonia without nerve section. Presented at the American Laryngological Society, Denver, Colorado.

Diagnostic imaging for evaluation of tumors of the nasopharynx, skull base, and neck, with clinical correlation. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, Chicago.

Practical and innovative solutions to difficult reconstructive problems. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, Chicago.

Vocal cord paralysis following general anesthesia. Presented at the Anesthesia Study Commission, Chicago.

1988

Treatment of spastic dysphonia without nerve resection: 1988 update. Presented at the American Laryngological Society, Palm Beach, Florida.

The role of CT scanning for the evaluation of the clinically negative neck. Presented at the Second International Conference on Head and Neck Cancer, Boston, Massachusetts.

Management of thyroid carcinoma with laryngotracheal invasion. Presented at the Second International Conference on Head and Neck Cancer, Boston, Massachusetts.

Practical and innovative solutions to difficult reconstructive problems. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, Washington, DC.

Diagnostic imaging: a clinician's viewpoint. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, Washington, DC.

Endoscopic sinus surgery. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, Washington, DC.

Diagnostic imaging: a clinician's viewpoint. Presented at Ambulatory Care Grand Rounds, Illinois Masonic Medical Center, Chicago.

1989

Sternocleidomastoid myoperiosteal flap for tracheal and subglottic reconstruction. Presented at the American Academy of Facial Plastic and Reconstructive Surgery, Toronto, Canada.

The rationale for prophylactic neck dissection. Presented at the Triological Society meeting, San Francisco, California.

Practical and innovative solutions to difficult reconstructive problems. Presented at the Fifth International Symposium of Plastic and Reconstructive Surgery of the Head and Neck, Toronto, Canada.

Practical and innovative solutions to difficult reconstructive problems. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, New Orleans, Louisiana.

Diagnostic imaging: a clinician's viewpoint. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, New Orleans, Louisiana.

Endoscopic sinus surgery. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, New Orleans, Louisiana.

MR imaging and CT scan of abnormal parathyroid glands. Presented at the Radiological Society of North America scientific program.

The dislodged tracheostomy tube. Presented at Rush-Presbyterian-St. Luke's Medical

Center, Chicago.

A biased view of thyroid surgery. Presented at Grand Rounds, Department of Otolaryngology-Head and Neck Surgery, University of Illinois, Chicago.

A biased view of thyroid surgery. Presented at Grand Rounds, Illinois Masonic Medical Center, Chicago.

1990

Reconstruction of the lye-burned larynx with platysma myocutaneous flap. Presented at the American Laryngological Society, Palm Beach, Florida.

Guest faculty, First International Symposium: Contemporary Sinus Surgery, Pittsburgh, Pennsylvania.

Anterior skull base surgery. Presented as invited faculty at Israel Otolaryngology Association, Petah-Tiqva, Israel.

Paranasal sinus malignancy. Presented as invited faculty at Israel Otolaryngology Association, Petah-Tiqva, Israel.

Laryngeal invasion by thyroid carcinoma. Presented as invited lecturer at Ichilov, Tel Aviv, Israel.

Facial nerve: evaluation with MR imaging and CT. Presented as poster exhibit at the Radiological Society of North America annual meeting, Chicago.

The surgeon's approach to the difficult airway. Presented at the fall meeting of the Illinois Society of Anesthesiologists, Rush Medical College, Chicago.

1991

The clinically negative neck. Presented at Grand Rounds, Department of Otolaryngology-Head and Neck Surgery, Loyola University Medical Center, Maywood, Illinois.

Endoscopic sinus surgery. Presented as course instructor at the Department of Otolaryngology-Head and Neck Surgery, Loyola University Medical Center, Maywood, Illinois.

Myocutaneous flaps for head and neck reconstruction. Presented at Medical Staff Rounds, Illinois Masonic Medical Center, Chicago.

Thyroid surgery. Presented at Medical Grand Rounds, Rush-Presbyterian-St. Luke's Medical Center, Chicago.

3-D imaging for evaluation of head and neck tumors. Presented at the Triological Society meeting, Waikoloa, Hawaii.

Pediced flaps in laryngotracheal reconstruction. Presented at the International Conference on Laryngeal and Tracheal Reconstruction, Cleveland, Ohio.

Open surgical management of laryngotracheal stenosis. Presented at the International Conference on Laryngeal and Tracheal Reconstruction, Cleveland, Ohio.

Guest faculty, International Conference on Laryngeal and Tracheal Reconstruction, Cleveland, Ohio.

Practical and innovative solutions to difficult reconstructive problems. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, Washington, DC.

Diagnostic imaging: a clinician's viewpoint. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, Washington, DC.

Endoscopic sinus surgery. Presented at the American Academy of Otolaryngology-Head and Neck Surgery, Washington, DC.

Control of RLN with implantable nerve stimulator in spastic dysphonia. Presented at the Fourth Annual Pacific Voice Conference, San Francisco, California.

Well-differentiated thyroid carcinoma invading the airway: management and reconstruction. Presented at the International Symposium on Head and Neck Cancer: Surgical Treatment, Reconstruction, Irradiation and Chemotherapy, Jerusalem, Israel.

1992

Guest faculty, High Altitude Ski Meeting for Sinus Surgeons, Vail, Colorado.

Surgery of the parotid gland. Presented at Rush-Presbyterian-St. Luke's Medical Center, Chicago.

Surgery of the thyroid and parathyroid. Presented at Rush-Presbyterian-St. Luke's Medical Center, Chicago.

Three-dimensional imaging: a new technique for diagnosing head and neck cancer. Presented at Illinois Masonic Medical Center Department of Surgery Grand Rounds.

Management of acute recurrent laryngeal nerve injury. Presented at the International Association of Phonosurgeons, Amsterdam, the Netherlands.

The implantable nerve stimulator for treatment of spastic dysphonia. Presented at the International Association of Phonosurgeons, Amsterdam, the Netherlands.

Nodal size of metastatic squamous cell carcinoma of the neck. Presented at the Triological Society meeting, Desert Springs, California.

Laryngotracheal reconstruction in adults: experience with the sternocleidomastoid myoperiosteal flap. Presented at the American Broncho-Esophagological Association meeting, Desert Springs, California.

Electrical stimulation. Presented at the Second Biennial Phonosurgery Symposium, Madison, Wisconsin.

Guest faculty, Evaluation and Surgery of Head and Neck Endocrine Tumors, NYU Medical Center, New York, New York.

Treatment of patients with carcinoma of the thyroid invading the airway. Presented at the Third International Conference on Head and Neck Cancer, San Francisco, California.

Nodal size of metastatic squamous cell carcinoma of the neck. Presented at the Third International Conference on Head and Neck Cancer, San Francisco, California.

Treatment of the N0 neck. Presented at the Third International Conference on Head and Neck Cancer, San Francisco, California.

Practical approaches to laryngotracheal reconstruction. Presented at the American Academy of Otolaryngology-Head and Neck Surgery annual meeting, Washington, DC.

Radiologic evaluation of head and neck tumors. Presented at the American Academy of Otolaryngology-Head and Neck Surgery annual meeting, Washington, DC.

Thyroid surgery. Presented at the Illinois Masonic Medical Center Department of Surgery Grand Rounds, Chicago.

1993

Thyroid and parathyroid surgery. Presented as visiting professor, Ohio State University Grand Rounds, Columbus.

Treatment of thyroid carcinoma invading the airway. Presented to Ohio State Laryngological Society, Columbus.

Sinus surgery. Presented to Rush-Presbyterian-St. Luke's Medical Center Department of Plastic Surgery, Chicago.

Medical management of frontal sinusitis. Presented at the Second High Altitude Ski Meeting for Sinus Surgeons, Vail, Colorado.

Guest faculty, Second High Altitude Ski Meeting for Sinus Surgeons, Vail, Colorado.

Safety and efficacy of the implantable recurrent laryngeal nerve stimulator. Presented at the annual meeting of the American Laryngological, Rhinological and Otological Society, Los Angeles, Calif.

Treatment of aphthous ulcers in AIDS patients. Presented at the annual meeting of the American Laryngological, Rhinological and Otological Society, Los Angeles, Calif.

Treatment of patients with carcinoma of the thyroid invading the airway. Presented at the XV World Congress of Otorhinolaryngology, Head and Neck Surgery, Istanbul, Turkey.

1994

The composite mucochondral flap for repair of cerebrospinal fluid leaks. Presented as an abstract at the Eastern Section Meeting of the American Laryngological, Rhinological and Otological Society, Ottawa, Ontario, Canada.

The composite mucochondral flap for repair of cerebrospinal fluid leaks. Presented at the International Symposium on Rhinology and Sinus Surgery, New York, New York.

Laryngotracheal reconstruction in adults: experience with the sternocleidomastoid myoperiosteal flap. Presented at the Second World Congress on Laryngeal Cancer, Sydney, Australia.

Treatment of patients with carcinoma of the thyroid invading the airway. Presented at the Second World Congress on Laryngeal Cancer, Sydney, Australia.

Control of the recurrent laryngeal nerve with an implantable nerve stimulator. Presented at the Second World Congress on Laryngeal Cancer, Sydney, Australia.

Laryngotracheal reconstruction in adults with the sternocleidomastoid myoperiosteal flap. Presented as a poster at Rush University Research Week, Chicago, Illinois.

Treatment of patients with carcinoma of the thyroid invading the airway. Presented as a poster at Rush University Research Week, Chicago, Illinois.

Director, First Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

1995

Percutaneous dilatational tracheostomy: applications and limitations. Presented at the Middle Section Meeting of the American Laryngological, Rhinological and Otological Society, Omaha, Nebraska.

Intralesional vinblastine for treating AIDS-associated Kaposi's sarcoma of the oropharynx and larynx. Presented at the Annual Meeting of the American Broncho-Esophagological Association, Palm Desert, California.

Endoscopic sinus surgery with middle turbinate resection: effects on olfaction. Presented at the Annual Meeting of the American Laryngological, Rhinological and Otolological Society, Palm Desert, California.

Director, Second Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Head and neck trauma: the otolaryngologist's perspective. Presented at the American Academy of Otolaryngology-Head and Neck Surgery annual meeting, New Orleans, Louisiana.

Coronal section CT scan: clinical and anatomic correlation with ESS. Presented at the American Academy of Otolaryngology-Head and Neck Surgery annual meeting, New Orleans, Louisiana.

1996

Bupivacaine for analgesia following endoscopic sinus surgery. Presented at the Middle Section Meeting of the American Laryngological, Rhinological and Otolological Society, Detroit, Michigan.

Bcl-2 oncogene expression in T1 squamous cell carcinoma of the head and neck. Presented at the Annual Meeting of the American Laryngological Association, Orlando, Florida.

Associate Director, Second International Symposium on Laryngeal and Tracheal Reconstruction, Monte Carlo, Monaco.

Percutaneous dilatational tracheostomy: applications and limitations. Presented at the Second International Symposium on Laryngeal and Tracheal Reconstruction, Monte Carlo, Monaco.

Nasogastric tube injuries to the larynx. Presented at the Second International Symposium on Laryngeal and Tracheal Reconstruction, Monte Carlo, Monaco.

The sternocleidomastoid myoperiosteal flap for laryngeal and subglottic reconstruction. Presented at the Second International Symposium on Laryngeal and Tracheal Reconstruction, Monte Carlo, Monaco.

Director, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Moderator, Panel on staging of glottic and subglottic stenosis, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Moderator, Panel on stents in laryngotracheal and esophageal reconstruction, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Moderator, Panel on safe cosmetic procedures for the general otolaryngologist, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Moderator, Panel on Reconstruction of Facial Defects, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Leader, Workshop on Thyroidectomy and parathyroidectomy, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Leader, Workshop on management of CSF leaks, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Leader, Workshop on total spenoethmoidectomy, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Co-leader, Workshop on laryngotracheal reconstruction, Third Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, Chicago, Illinois.

Electrical stimulation of crushed recurrent laryngeal nerves in dogs. To be presented at the Fourth International Conference on Head and Neck Cancer, Toronto, Ontario, Canada.

Radiologic diagnosis for endoscopic sinus disease. Presented at the Academy of Otolaryngology Annual Meeting.

1997

Chaired the Annual Editorial Board Meeting of “Op Tech in Otolaryngol and Head and Neck Surgery” at the Combined Otolaryngology meeting, Phoenix, Arizona.

Director, Fourth Annual Techniques in Head and Neck Surgery-Otolaryngology: The Course, Chicago, Illinois.

Leader, Workshop on Laryngotracheal reconstruction. Fourth Annual Techniques in Head and Neck Surgery-Otolaryngology: The Course, Chicago, Illinois.

Leader, Workshop on Thyroidectomy and parathyroidectomy, Fourth Annual Techniques in Head and Neck Surgery-Otolaryngology: The Course, Chicago, Illinois.

Laser Turbinoplasty: A histologic study. Presented at the Middle Section Meeting of the Triological Society, Kansas City, Missouri.

Parathyroid Cryopreservation. Presented at the 83rd Annual Clinical Congress of the American College of Surgeons, Chicago, Illinois.

Controversies in parathyroid surgery (Interdisciplinary). Presented at the American College of Surgeons, Clinical Congress, Chicago, Illinois.

Early detection and treatment of post operative pharyngocutaneous fistulae. Presented at the American Academy of Otolaryngology, San Francisco, California.

Radiologic diagnosis for endoscopic sinus surgery. Presented at the Academy of Otorhinolaryngology-Head and Neck Surgery, San Francisco, California.

1998

Quantifications of lymph nodes in selective neck dissections. Presented at the Triological Society meeting, Minneapolis, Minnesota, January 24-25, 1998

Thyroid/parathyroid Surgery. Presented at the Innovation in Otolaryngology/Head and Neck Surgery. Conference held in Sun Valley, Idaho, February 9-13, 1998.

Prognostic significance of BCL-2 expression in advanced laryngeal squamous cell carcinoma. Presented at the annual meeting of the American Laryngological Assc., Palm Beach, Florida, May 9-10, 1998

Percutaneous tracheostomy-a superior technique. Presented at the American Brocho-Esophagological Society at combined spring Otorhinolaryngology meetings, Palm Beach Florida, May 10-12, 1998.

Laryngotracheal reconstruction with the myoperiosteal flap-long term results. Presented at the American Brocho-Esophagological Society at combined spring otorhinolaryngology meetings, Palm Beach, Florida, May 10-12, 1998.

Chaired the annual Editorial Board Meeting of Operative Techniques in Otolaryngology-Head and Neck Surgery at combined spring Otorhinolaryngology meeting in Palm Springs, California, May, 1998

Director, Fifth Annual Techniques in Head and Neck Surgery-Otolaryngology: The Course, Chicago, Illinois.

Advanced endoscopic sinus technique. Presented at the Fifth Annual Techniques in Head and Neck Surgery-Otolaryngology: The Course, Chicago, Illinois, June 4-7, 1998.

Advanced surgery for obstructive sleep apnea. Presented at the Fifth Annual Techniques in Head and Neck Surgery-Otolaryngology: The Course, Chicago, Illinois, June 4-7, 1998.

Interpretation of sleep studies. Presented at the Fifth Annual Techniques in Head and Neck Surgery-Otolaryngology: The Course, Chicago, Illinois, June 4-7, 1998.

The effect of improved nasal breathing on obstructive sleep apnea. Presented at the Scientific session of the American Academy of Otolaryngology-Head and Neck Surgery. September 12-15, 1998, San Antonio, Texas.

Microdebrider technique for turbinate reduction. Presented at the American Rhinologic Society, September 12, 1998, San Antonio, Texas.

1999

The effects of middle turbinate medialization on olfaction. Presented at the Triological Society Middle Section Meeting, January 22-24, 1999, Milwaukee, Wisconsin.

Clinical predictors of obstructive sleep apnea. Presented at the Triological Society Annual Meeting, April 28, 1999, Palm Desert, California.

Director, Sixth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 3-6, 1999, Chicago, Illinois.

Thyro-hyoid suspension for obstructive sleep apnea. Presented at the Sixth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 3-6, 1999 Chicago, Illinois.

Uvulopalatopharyngoplasty — A new & improved technique. Presented at the Sixth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 3-6, 1999 Chicago, Illinois.

Simplified frontal sinus surgery. Presented at the Sixth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 3-6, 1999 Chicago, Illinois.

Advanced Endoscopic Techniques. Presented at the Sixth Annual Techniques in Head and Neck Surgery-Otolaryngology: The Course, June 3-6, 1999 Chicago, Illinois.

Refinements in office and surgical techniques. Presented at the Ninth Annual New Jersey Medical School Division of Otolaryngology – Head & Neck Surgery Alumni Day Symposium, June 16, 1999, Newark, New Jersey

The otolaryngologist as a sleep specialist: Taking control of sleep apnea patients. Presented at the Ninth Annual New Jersey Medical School Division of Otolaryngology –

Head & Neck Surgery Alumni Day Symposium, June 16, 1999, Newark, New Jersey

Frontal sinus surgery: A simplified technique and results. Presented at the American Rhinologic Society, September 25, 1999, New Orleans, Louisiana.

Middle turbinate medialization and preservation in ESS. Presented at the American Academy of Otolaryngology – Head and Neck Surgery, September 26-29, New Orleans, Louisiana.

Quantifiable Physical Findings in Obstructive Sleep Apnea. Poster presented at the American Academy of Otolaryngology – Head and Neck Surgery, September 26-29, New Orleans, Louisiana.

Instructor, Course on Comprehensive management of obstructive sleep apnea and snoring at the American Academy of Otolaryngology – Head and Neck Surgery, September 26-29, New Orleans, Louisiana.

International Conference of Endoscopic Sinus Surgery, December 1-3, 1999, Israel.

2000

Endoscopic sinus surgery in HIV-positive patients. Presented at the Triological Society Middle Section Meeting, January 21-23, 2000, Cincinnati, Ohio.

Obstructive Sleep Apnea. Presented at the University of California, Irvine, February 16, 2000, Irvine, California.

Advanced Endoscopic Techniques. Presented at the University of California, Irvine, February 16, 2000, Irvine, California.

Thyroid Nodule. Presented at the Chicago Medical Society's Midwest Clinical Conference, February 25, 2000, Chicago, Illinois

Frontal sinusitis surgical techniques for frontal sinus surgery. Presented at the Annual Sinus Care Summit, April 2000, Orlando, Florida.

Treatment of hypoxemia in obstructive sleep apnea. Presented at the American Rhinologic Society Spring Meeting (COSM), May 15-16, 2000, Orlando, Florida.

Director, Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000, Chicago, Illinois.

Office Esophagoscopy. Presented at the Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000 Chicago, Illinois.

Reconstruction After Hemilaryngectomy – False Cord Advancement Presented at the Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000 Chicago, Illinois.

Reading Polysomnograms – The Otolaryngologist’s Perspective. Presented at the Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000 Chicago, Illinois.

Simplified Frontal Sinus Surgery. Presented at the Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000 Chicago, Illinois.

Transnasal Ligation of Internal Maxillary Artery. Presented at the Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000 Chicago, Illinois.

Nasal Valve Repair. Presented at the Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000 Chicago, Illinois.

Medial Maxillectomy. Presented at the Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000 Chicago, Illinois.

CSF Repair. Presented at the Seventh Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-4, 2000 Chicago, Illinois.

The Effect of Improved Nasal Breathing on OSA. Poster presented at the Associated Professional Sleep Societies (APSS) Annual Meeting; June 19, 2000

Clinical Predictors of OSA. Poster presented at the Associated Professional Sleep Societies (APSS) Annual Meeting; June 20, 2000

The Frontal Sinus: Indications and Results of Therapeutic and Prophylactic Surgery. Presented at the International Rhinologic Society (The Nose 2000...and Beyond), September 20-23, 2000

Frontal Sinus Surgery for Every Endoscopic Surgeon. Instruction course presented at the American Academy of Otolaryngology – Head and Neck Surgery, September 24-27, 2000

Comprehensive Management of Obstructive Sleep Apnea and Snoring. Instruction course presented at the American Academy of Otolaryngology – Head and Neck Surgery, September 24-27, 2000

Coronal Section CT Scan and Anatomic Clinical Correlation for ESS. Instruction course presented at the American Academy of Otolaryngology – Head and Neck Surgery, September 24-27, 2000

2001

Obstructive Sleep Apnea — A Complication of Radiation and Surgical Treatment for Head and Neck Cancer. Presented at the Middle Section Meeting of the Triological Society, January 19-21, 2001

A Computer-Assisted Anatomical Study of the Frontal Recess. Presented at the Annual Meeting of the Triological Society (COSM), May 14-16, 2001

Superior Laryngeal Nerve Identification and Preservation in Thyroidectomy. Presented at the Annual Meeting of the American Head and Neck Society (COSM), May 14-16, 2001

Director, Eighth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-3, 2001, Chicago, Illinois.

Interpreting the Interpretation of Sleep Studies. Presented at the Eighth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-3, 2001 Chicago, Illinois.

Frontal Sinus Anatomy and Technique. Presented at the Eighth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-3, 2001 Chicago, Illinois.

Transnasal Ligation of Internal Maxillary Artery. Presented at the Eighth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-3, 2001 Chicago, Illinois.

Nasal Valve Repair. Presented at the Eighth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-3, 2001 Chicago, Illinois.

Endoscopic Medial Maxillectomy. Presented at the Eighth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-3, 2001 Chicago, Illinois.

CSF Repair. Presented at the Eighth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, June 1-3, 2001 Chicago, Illinois.

Clinical Predictors of Obstructive Sleep Apnea. Poster presented at the Annual Meeting of the Associated Professional Sleep Societies, June 5-10, 2001.

Treatment of Patients with Recurrent Sinusitis Following ESS. Presented at the Fall

Meeting of the American Rhinologic Society, September 8, 2001.

Comprehensive Management of Obstructive Sleep Apnea — 2001 Update. Instruction course presented at the Annual Meeting of the American Academy of Otolaryngology, September 9-12, 2001

Frontal Sinus Surgery: A Simplified Approach. Instruction course presented at the Annual Meeting of the American Academy of Otolaryngology, September 9-12, 2001

Coronal Section CT Scan Anatomic and Clinical Correlation for ESS. Instruction course presented at the Annual Meeting of the American Academy of Otolaryngology, September 9-12, 2001

Prognostic Indicators for Successful Uvulopalatopharyngoplasty. Presented at the Annual Meeting of the American Academy of Otolaryngology, September 9-12, 2001

Superior Laryngeal Nerve Identification and Preservation in Thyroidectomy. Poster presented at the Chicago Symposium on Malignancies of the Chest and Head & Neck, October 4-6, 2001.

Minimally Invasive Techniques in Otolaryngology: Sinusitis; Obstructive Sleep Apnea Syndrome. Presented at Medical Grand Rounds, Rush-Presbyterian-St. Luke's Medical Center, November 21, 2001.

2002

The Inferior Turbinate Composite Flap for Repair of Septal Perforation. Presented at the Middle Section Meeting of the Triological Society, January 18-20, 2002.

Tonsil Channeling – A New Technique for Tonsil Ablation. Presented at the Middle Section Meeting of the Triological Society, January 18-20, 2002.

Atrophic Rhinitis: A New Treatment Technique. Presented at the Annual Meeting (COSM) of the American Rhinologic Society, May 12-14, 2002.

Director, Ninth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, May 31-June 2, 2002, Chicago, Illinois.

Staging and Treatment of OSA. Presented at the Ninth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, May 31-June 2, 2002, Chicago, Illinois.

Frontal Sinus Anatomy and Technique. Presented at the Ninth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, May 31-June 2, 2002, Chicago, Illinois.

Transnasal Ligation of Internal Maxillary Artery. Presented at the Ninth Annual

Techniques in Head and Neck Surgery – Otolaryngology: The Course, May 31-June 2, 2002, Chicago, Illinois.

Nasal Valve Repair. Presented at the Ninth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, May 31-June 2, 2002, Chicago, Illinois.

Endoscopic Medial Maxillectomy. Presented at the Ninth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, May 31-June 2, 2002, Chicago, Illinois.

CSF Repair. Presented at the Ninth Annual Techniques in Head and Neck Surgery – Otolaryngology: The Course, May 31-June 2, 2002, Chicago, Illinois.

Nasal Valve Obstruction. Presented at the Fall Meeting of the American Rhinologic Society, September 21, 2002.

Combined UP3 and Tongue Base Reduction for Treatment of OSA. Presented at the Annual Meeting of the American Academy of Otolaryngology, September 22-25, 2002.

A Simplified Technique for Airway Correction at the Nasal Valve Area. Presented at the Annual Meeting of the American Academy of Otolaryngology, September 22-25, 2002.

Comprehensive Management of Obstructive Sleep Apnea — 2002 Update. Instruction course presented at the Annual Meeting of the American Academy of Otolaryngology, September 22-25, 2002.

Frontal Sinus Surgery: A Simplified Approach. Instruction course presented at the Annual Meeting of the American Academy of Otolaryngology, September 22-25, 2002.

Coronal Section CT Scan Anatomic and Clinical Correlation for ESS. Instruction course presented at the Annual Meeting of the American Academy of Otolaryngology, September 22-25, 2002.

2003

Staging of Sleep-Disordered Breathing: A Guide to Appropriate Treatment. Presented at the Middle Section Meeting of the Triological Society, January 17-19, 2003.

Frontal Sinus Surgery. Presented at the Joint Meeting of the Ecuadorian Academy of Otolaryngology and the American Academy of Otolaryngology–Head and Neck Surgery, February 13-14, 2003.

Nasal Valve Repair. Presented at the Joint Meeting of the Ecuadorian Academy of Otolaryngology and the American Academy of Otolaryngology–Head and Neck Surgery, February 13-14, 2003.

Transnasal Ligation of the Internal Maxillary Artery. Presented at the Joint Meeting of

the Ecuadorian Academy of Otolaryngology and the American Academy of Otolaryngology–Head and Neck Surgery, February 13-14, 2003.

Turbinate Surgery. Presented at the Joint Meeting of the Ecuadorian Academy of Otolaryngology and the American Academy of Otolaryngology–Head and Neck Surgery, February 13-14, 2003.

Management of OSA. Presented at the Joint Meeting of the Ecuadorian Academy of Otolaryngology and the American Academy of Otolaryngology–Head and Neck Surgery, February 13-14, 2003.

New Techniques in Sleep Surgery. Presented at the Joint Meeting of the Ecuadorian Academy of Otolaryngology and the American Academy of Otolaryngology–Head and Neck Surgery, February 13-14, 2003.

“Painless” Uvulopharyngopalatoplasty: A Modified Technique for Selected Patients. Poster presented at the Annual Meeting of the Triological Society, May 4-6, 2003.

Inspiratory Acoustic Rhinometry: A New Technique for Diagnosis of Nasal Valve Collapse. Poster presented at the Annual Meeting of the American Rhinologic Society, May 4-6, 2003.

Staging and Treating of OSA. Presented at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Treatment Selection of OSA. Moderator–Panel Discussion at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Tonsil Coblation–How I Do It. Video Presentation at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Uvulopalatopharyngoplasty–How I Do It. Video Presentation at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Prosection: New Techniques in Sleep Surgery: Painless UP3, Repose, Tonsil Coblation, Radiofrequency. Workshop at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Hands-On Dissection: New Techniques in Sleep Surgery: Painless UP3, Repose, Tonsil Coblation, Radiofrequency. Workshop at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Frontal Sinus Anatomy and Technique. Presented at the Tenth Annual Techniques in

Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Transnasal Ligation of Internal Maxillary Artery. Presented at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Endoscopic Repair of CSF Leak. Presented at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Prosection: Advanced Endoscopic Techniques. Hands On Lab at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

Hands-On Dissection: Advanced Endoscopic Techniques. Workshop at the Tenth Annual Techniques in Head and Neck Surgery–Otolaryngology: The Course, May 29-June 1, 2003.

When CPAP Fails: Surgical and Dental Evaluation and Management of OSA. Symposium presented at the Annual Meeting of the Associated Professional Sleep Societies, June 3, 2003.

Evaluation and Management of Obstructive Sleep Apnea. Presented at the Annual Meeting of the Georgia Society of Otolaryngology/Head & Neck Surgery, July 24-27, 2003.

Repair of Nasal Valve Obstruction. Presented at the 2003 Annual Clinical Assembly of Osteopathic Specialists (ACOS), September 18-21, 2003.

New Concepts and Options in Inferior Turbinate Reduction. Presented at the 2003 Annual Clinical Assembly of Osteopathic Specialists (ACOS), September 18-21, 2003.

Comprehensive Management of Obstructive Sleep Apnea—2003 Update. Instruction course presented at the Annual Meeting of the American Academy of Otolaryngology–Head & Neck Surgery Foundation, September 21-24, 2003.

Frontal Sinus Surgery: A Simplified Approach. Instruction course presented at the Annual Meeting of the American Academy of Otolaryngology–Head & Neck Surgery Foundation, September 21-24, 2003.

Clinical Developments in Obstructive Sleep Apnea: 2003. Miniseminar presented at the Annual Meeting of the American Academy of Otolaryngology–Head & Neck Surgery Foundation, September 21-24, 2003.

Midline Palatoplasty: A Modified Technique for Patients Without Tonsils. Presented at the Annual Meeting of the American Academy of Otolaryngology–Head & Neck Surgery

Foundation, September 21-24, 2003.
