1989 -1993 University of Illinois College of Dentistry – Chicago

1993-Present, Private Practice, General Dentistry, Sleep and TMJ

2011-2013, Faculty, New York University College of Dentistry, Linhart Continuing Dental Education Program, Dental Sleep Medicine Continuum

2012-Present, Partner TAD Systems, L.L.C.

Orthotropic/Biobloc Residency – Dr. William Hang

Noble Biocare Restorative Implants

Center for Occlusal Studies

- Neuromuscular Orthodontics I, II
- Neuromuscular Scan Interpretation

Las Vegas Institute for Advanced Dental Studies

- Anterior Aesthetics
- Advanced Periodontal Therapy
- Comprehensive Anterior Rehabilitation
- Full Mouth Reconstruction
- Neuromuscular Occlusion I, II, III, IV
- Neuromuscular Scan Interpretation
- Neuromuscular Orthodontics I, II
- Neuromuscular Implant I
- Anatomy and Physiology

Lectures/Presentations

June 2005	University of Sardinia, Italy Cosmetics and Neuromuscular rehabilitation
October 2006	Dicover Co., Deerfield, IL Health Wellness and Dental care
January 2007	Corby Law firm, Chicago, IL Health Wellness and Dental Care
May 2007	Prentiss Publishing Co., Chicago, IL Cosmetic Dentistry and Neuromuscular Rehabilitation
February 2008	AON Co., Glenview IL Health Wellness and Dental care
August 2011	Microdental laboratories, CA Performance based oral appliances and Heart Rate Variability
September 2011	Boston University, Boston Performance based oral appliances and Heart Rate Variability
November 2011	Golf magazine Top 100 Teachers in America Performance mouthwear and Physiology
March 2013	American Association of Physiological Medicine and Dentistry, Chicago, IL Faces and Physiology – Airway Restorative Dentistry
June 2013	American Association of Physiologic Medicine and Dentistry, Oakland, CA Faces and Physiology – Airway Restorative Dentistry
October 2014	Oakbrook II, Heart Rate Variability - Registering a physiologic bite

Research

2012-2015 Synthesis project, Northwestern University, Department of Physical Therapy, Effects of Oral Appliance on Heart Rate Variability, Physiology, Strength, Flexibility and Performance in Adults.

Teaching Experience

April 2011- Faculty, New York University College of Dentistry, Linhart Continuing Dental Education Program, Dental Sleep Medicine Continuum

2012-present Online dental education with TAD Systems featuring advanced topics in dentistry, and sleep medicine

Memberships and Certificates

NYU Faculty Dental Sleep Medicine

Board member American Association of Physiological Medicine and Dentistry Founding member of the North American Association of Facial Orthotropics American Academy of Dental Sleep Medicine –

Board eligible American Academy of Sleep Medicine

Illinois Sleep Society

Registered member in the International Directory of Orthotropics

American Autonomic Society

American Dental Association

Academy of General Dentistry - Fellowship Eligible

Illinois State Dental Society

Chicago Dental Society

Extensive studies at the Las Vegas Institute in Neuromuscular rehabilitation

Certificates in Neuromuscular Orthodontics

Certificates in Craniomandibular Pathophysiology

Publications/Articles

The Art and Architecture of Smile Enhancement
Full Mouth Rejuvenation
Being a Mouth Doctor
Non-surgical Face Lift
The Psychology of a Smile
Techniques in Aesthetic Dentistry
Top Health Risks Associated with Periodontal Disease
Mercury/Metal Fillings – Remove them or Keep Them
Neuromuscular Dentistry

Community Involvement

Edgebrook Chamber of Commerce Board
Chicago Chamber of Commerce
Women In Need foundation (W.I.N.)
Give Back A Smile program (GBAS)
Fellowship Housing

Areas of Interest

- Oral facial posture and its effects on airway
- Pediatric and Adult dental sleep medicine
- Treatment for the overall dysfunctional physiologic compensations of compromised airway
- Heart Rate Variability in the diagnosis and treatment of malocclusive syndromes and conditions
- The role of periodontal disease in overall systemic health
- Smile design subtleties in photography and art
