## **The Region's TOP ENT Practice is Expanding with a New Location!**

We are proud to announce that due to our remarkable growth in the Chicago area, we opened a new location on August 31st. This new location on Peterson Avenue will allow us the opportunity to offer our patients even more convenience and access to world-class care. We're right at the intersection of Peterson & Maplewood.

**Your Safety is our #1 Priority!**

Our safety first culture has allowed us to adapt our protocols and spaces qualifying Chicago ENT as a COVID-Safe clinic environment.

Your health is essential, and we encourage you not to delay the care you need. We are taking every possible measure to keep you safe and are in compliance with CDC guidelines. We have adopted many precautions to minimize your risk of exposure to COVID-19 when you come to any of our Chicago ENT locations.

Learn more about our safety protocols by visiting us online [here](#).

## Introducing Dr. Jaclyn Riel, Aud, CCC-A

Dr. Riel is an audiologist and will be joining Chicago ENT on Wednesday September 2nd. She is skilled at treating all types of hearing difficulties and sees patients of all

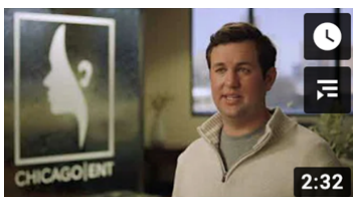

ages including pediatric, adult and geriatric patients. Her clinical interests are hearing diagnostics, hearing conservation and hearing aids.

Dr. Riel looks forward to taking care of all your hearing related needs and prioritizes patient accessibility and communication.

To schedule an appointment with Dr. Riel give us a call at 773-296-5500.

## Do you struggle with your mask and ENT symptoms?

As we all return to work, school and public places, face coverings and masks have become essential tools in our fight against COVID-19. However, some people with allergies, asthma or sinusitis may find it challenging.

Read our blog [Make Wearing A Mask Easier With Allergies, Sinusitis, or Asthma](#) and learn some helpful tips from our very own allergist Dr. Shepard.
