8 Ways to Make Wearing a Mask Better If You're Hard of Hearing

Due to the ongoing pandemic, it's essential to wear a mask and keep a distance of six feet to protect yourself and others. Yet, these measures that mitigate the spread of COVID-19 also affect communication.

It's now commonplace to be told and say, "I can't understand you." Or "what did you say?" The reality is, masks hurt both verbal and nonverbal communication.

But the following tips can make it a lot easier to understand what someone else is saying while wearing a mask. Keep reading for 8 ways to make wearing a mask easier if you're hard of hearing.
